INDEMNITY FORM | COVID-19

I agree not to hold Squash South Africa, Organising Committee, the national, regional or local government, the provincial squash association, any sponsor, venue owner, club management, accommodation provider, transport operator, official, volunteer or any person and their agents assisting in the return to play after restrictions for COVID-19 have been lifted liable for any claims, injury or illness, or for any damage to my property or loss of my property which I may suffer directly or indirectly as a result of travelling to and from and participating in any events (from the time of arrival at the squash venue and/or official accommodation until the time of departure). I am aware that I should arrange my own insurance if I require.

I participate voluntarily in squash and acknowledge that my health remains my sole responsibility.

I agree to abide by guidelines of the club and Government and any rules and regulations promulgated by the club. I confirm that I am fit to participate. I agree to provide any COVID-19 related personal (full name, ID number, cell number etc.) or health related information to the club and medical personnel on request.

I understand that COVID-19 tests may be requested at any time and agree to such a test if required and to provide the results to the club or other relevant parties.

I also understand that club and/or its representatives have the right to suspend and/or expel me from the club if I act in contravention of its rules and regulations or if my continued participation may endanger the health or welfare of myself or any other person involved.

By signing this document, I confirm that I am fit, in good health and can resume training and/or competition.

I understand that I have the right to seek legal advice and have done so or have waived such right before signing this document.

I am 18 years or older. I have read this document, and I am signing it freely. I agree that if any portion is held invalid or unenforceable, I will continue to be bound by the remaining terms.

SQUASH GUIDELINES DURING COVID-19 PANDEMIC

(As of June 2020)

Feeling Unwell?

Stay at Home

If you, or someone you live with, have symptoms of coronavirus stay home and self-isolate for 14 days.

Protection

Please wear a face covering or mask when indoors at the club apart from when on court (use a FULL VISOR on court).

Play

One player per court unless from same household, in which case two to be permitted. Bring your own ball and racket (hire/rental/borrowing is not allowed).

Social Distancing

Always keep 2 metres away from other people. No spectators allowed.

On Court

Use your own towel to wipe away sweat. Do not wipe hands on walls! It is recommended to wear a sweatband on your wrist.

Drinks

Use your own water bottle. No sharing, no water fountains.

Arrival at Club

Limit your time at the club. Arrive no more than 15 minutes early and leave immediately after playing. Travel to facilities should ideally be by foot, bike or car (only shared with person from the same household).

Changing Rooms

Only one person in the changing rooms at any one time. Changing rooms are not operational for showering or changing but as toilets only.

Court Bookings

Court bookings can only be made online. This will assist with controlling the number of the people in the club and with track & trace should it be required.

One-Way Movement

A one-way movement system, through the club, will be in place where possible. *Please respect this.*

10min

Time Slots

10-minute 'change-over' buffer will be built into court booking, e.g. 35 minutes of play allowed in 45-minute court booking. This is to allow safe transition & cleaning between bookings.

Court Cleaning

Anti-bacterial wipes or spray and paper towels to be available outside the court for all players to wipe down touch surfaces after play.

Appendix H: Guideline to Facility Accreditation

This guide lays out the priorities and minimum requirements for a facility to be accredited for opening under this plan.

Guideline to Facility Accreditation

This guide should be used, by all clubs/ facilities wishing to be accredited to open and operate during the phased re-opening of Squash.

It is the applicant's responsibility to make sure you meet the most current requirements. This guide does not negate the requirements by Disaster Management Act, 57 of 2002, or the criteria stipulated in the Squash SA, Return to Play | Operational Plan.

Criteria for Selection

- Priority (refer to **Table 7.1**) has been made for clubs that have steadfastly contributed to the leagues and tournaments in regions and to the national body as well as the broader squash community in South Africa.
- Should the requisite maximum number of clubs not be met per province, ($\leq 30\%$ Phase 1 and Phase 2, and $\leq 75\%$ Phase 3), the next level criteria will be applied on merit.
- Every attempt will be made to ensure accredited facilities are equally distributed in a region, to allow maximum availability for authorised players (see **Section 3**, above).
- Notable exclusions are any courts:
 - Situated on **School** property
(these are governed by the Department of Basic Education, and their own re-opening criteria are additional to those stated herein).
 - Situated on **University** property
(these are governed by the Department of Higher Education and Training, and their own re-opening criteria are additional to those stated herein).
 - Private courts, not affiliated to Squash SA (typically single courts, etc.).
Any activities undertaken at these facilities are not under the auspices of Squash South Africa, or affiliated bodies.

Application Process

The application process for Facility Accreditation, will be coordinated by the National COVID Compliance Officer, through the provincial bodies.

Applications will be made in full, for approval/ refusal, no less than seven (7) days before commencement of activities, and in accordance with the Phased re-opening dates.

A letter of authorisation will be provided, which is required to be part of the COVID file, at every facility, and available for inspection.

Preference will be provided for the following, in order:

Methodology Employed

The Risk Rating is developed using a standard Risk Assessment methodology:

$$\text{Risk Rating} = \text{Consequence} \times \text{Likelihood}$$

Risks Ratings returned, either

- **SIGNIFICANT** or **HIGH** (Risk Rating of more than 11), must be addressed immediately (prior to any further activity is permissible on site).
- **MEDIUM** Risk Ratings should be addressed during normal maintenance and/or training sessions but aren't critical to operations.
- **LOW** Risk Ratings are brought to your attention, but do not require individual interventions. Their requisite mitigations measures are addressed in the normal training and SOPs.

Consequence Ranking (Hazard Effect)

Risk Matrix	Hazard Effect/ Consequence				
	1 Insignificant	2 Minor	3 Moderate	4 Major	5 Catastrophic
Safety/ Health	First aid case/ Exposure to minor health risk	Medical treatment case/ Exposure to moderate health risk	Reversible impact on health	Reversible impact on health	Single fatality or loss of quality of life/ Irreversible impact on health
Legal & Regulatory	No legal impact	Minor legal concerns with minor impact	Some legal concerns with manageable level of impact	Serious legal concerns and significant impact on operations	Legal noncompliance with risk of shutdown of operations with significant cost impacts
Reputation/ Social/ Community	Slight impact - public awareness may exist but no public concern	Limited impact - local public concern	Considerable impact - regional public concern	National impact - national public concern	International impact - international public attention

Likelihood

Likelihood	
5 Almost Certain	The unwanted event has occurred frequently; has a 90% and higher probability of reoccurring
4 Likely	The unwanted event has a probability of between 60% and less than 90% of occurring
3 Possible	The unwanted event has a probability of between 30% and less than 60% of occurring
2 Unlikely	The unwanted event has a probability of between 1% and less than 30% of occurring
1 Rare	The unwanted event has never occurred, has a probability of less than 1% of occurring

Final Risk Rating Achieved

Risk Rating				
11 Significant	16 Significant	20 Significant	23 High	25 High
7 Medium	12 Significant	17 Significant	21 High	24 High
4 Low	8 Medium	13 Significant	18 Significant	22 High
2 Low	5 Low	9 Medium	14 Significant	19 Significant
1 Low	3 Low	6 Medium	10 Medium	15 Significant

Procedure to Complete your Risk Assessment

- Refer to the separate file, [Squash SA COVID-19 Club Risk Assessment Matrix.xlsx](#), to undertake the Risk Assessment for your club
- Rate the various risks (unmitigated/ as per normal activities), using the ratings scale above.
- The current Risk Rating, will automatically score that activity
- If it scores **MEDIUM** or higher Risk, then mitigation is required (examples are provided)
- The newly mitigated activities are now scored and must rate as LOW to provide an acceptable Risk Assessment.
 - The consequence of an activity will not change with a new mitigated rating, only the likelihood.
- Print and sign, and:
 - keep in your COVID-File, and
 - submit a copy, to your Provincial/ National body as required.
